Recyclable where carton facilities exist

One of Europe's leading food manufacturer's, delivering specialist, added value products to the foodservice market worldwide.

Pritchitts is the foodservice division of Lakeland Dairies, a leading Irish dairy group with manufacturing facilities in the north and south of Ireland.

Our operations are exclusively in the foodservice & bakery sectors. Pritchitts' product portfolio includes tea and coffee

whiteners, milks, dairy creams, cream alternatives, ice creams, thick shakes, milk powders, dessert mixes and butters.

Our expertise and technology allows us to make products that taste and perform as well as, or better than their fresh pasteurised equivalent. This gives the

caterer the convenience of longer life products without compromising on quality.

Our markets span the globe. We supply customers in over 60 countries across Africa, Middle East, Far East, South America, Caribbean and Europe.
