

# Milk Matters

Convenient and easy-to-use milk powders

For baking, cooking and all hot beverages

# Milk Powders

**A practical and economic solution for cooking, baking and hot beverages. Pritchitts milk powders disperse well in water, are simple to use and cost effective. A truly convenient product that can be made up as required. All our powders are made with skimmed milk and non-milk fat.**

## • Millac Classic

- High nutritional specification
- Excellent for cooking and baking, especially in creamy sauces and custards
- Ideal for all hot beverages

## • Half Fat Millac

- Semi-skimmed version of Millac Classic
- Reduces fat content in standard recipes with no loss of quality

## • Cappuccino Milk Powder

- High foaming and whitening powder
- Makes stable, thick and creamy foam
- Equally good for steam injected or soluble coffee machines

## • Millac Value

- Practical and cost effective solution for today's economy driven sectors
- Fully functional and versatile

**One of Europe's leading food manufacturers, delivering specialist, added value products to the foodservice market worldwide.**

Pritchitts is the foodservice division of Lakeland Dairies, a leading Irish dairy co-operative with manufacturing facilities in the north and south of Ireland.

Our operations are concentrated in the foodservice & bakery sectors. Pritchitts' product portfolio includes tea and coffee whiteners, milks, dairy creams, cream alternatives, ice creams, thick shakes, milk powders, dessert mixes and butters.

Our expertise and technology allows us to make products that taste and perform as well as, or better than their fresh pasteurised equivalent. This gives the caterer the convenience of longer life products without compromising on quality.

Our markets span the globe. We supply customers in over 70 countries across Europe, Asia, Middle East and Africa.
